

84' Lazzara

84' Lazzara is a truly amazing 2008 luxury yacht that is in excellent condition both inside and out. She has the highest specification of any 84' Lazzara, and is the only ever to achieve an MCA certification.

Her seven stateroom layout (5 for owner/guests and 2 for captain/crew), walk around decks, and extremely spacious interior give the feel of a 100'+ yacht. Her CAT C32 engines, chilled water air conditioning, Hydraulic bow thruster, headhunter heads, and upgraded interior are just a few of the options that set her apart from others.

84' Lazzara comes with a Jacuzzi on board.

84' Lazzara With Jacuzzi
